Author Index

Under each name are listed, in chronological order of publication, all articles in which an author has participated.

Abbott, F. S.
Pinealectomy procedure for *Fundulus heteroclitus* L. F. S. Abbott and M. B. Favreau, 152.
The effects of light and temperature on isolated melanophores in *Fundulus heteroclitus* L. F. S. Abbott, 203.
Acton, A. B.
The ultrastructure of the rostral sensory organs of the water bug, *Cenocorixa bifida* (Hungerford) (Hemiptera). S. E. Lo and A. B. Acton, 717.
Adams, J. B.
Grain aphids in New Brunswick. IV. Effects of malathion and 2,4-D amine on aphid populations and on yields of oats and barley. J. B. Adams and M. E. Drew, 423.
Adams, J. R.
The development of *Philonema oncorhynchi* (Nematoda:Philometridae) in *Cyclops bicuspidatus* in relation to temperature. R. C. Ko and J. R. Adams, 307.
Ancyracanthopsis bendelli n. sp. (Acuariidae: Schistorophinae) from Pacific Coast grouse, with observations on related nematode genera. J. R. Adams and G. G. Gibson, 619.
Addison, E. M.
Oxyspirura lumsdeni n. sp. (Nematoda:Thelaziidae) from Tetraonidae in North America. E. M. Addison and R. C. Anderson, 1223.
Aiken, D. E.
Ovarian maturation and egg laying in the crayfish *Orconectes virilis*: influence of temperature and photoperiod. D. E. Aiken, 931.
Aldrich, F. A.
Hepatoxylon trichiuri (Holden 1802) (Cestoda—Trypanorhyncha) from the giant squid *Architeuthis dux* Steenstrup 1857 in Newfoundland. J. H. C. Pippy and F. A. Aldrich, 263.
Observations on locomotion of the short-finned squid, *Illex illecebrosus illecebrosus* (Lesueur, 1821), in captivity. H. E. Bradbury and F. A. Aldrich, 741.
Observations on feeding of the squid *Illex illecebrosus illecebrosus* (Lesueur, 1821) in captivity. H. E. Bradbury and F. A. Aldrich, 913.
A reconsideration of forms of squid of the genus *Illex* (Illicinae, Ommastrephidae). II. Sexual dimorphism. K. Mangold, C. C. Lu, and F. A. Aldrich, 1153.
Aleksiuk, M.
Aspects of seasonal energy expenditure in the beaver (*Castor canadensis* Kuhl) at the northern limit of its distribution. M. Aleksiuk and I. McT. Cowan, 471.
The winter metabolic depression in Arctic beavers (*Castor canadensis* Kuhl) with comparisons to California beavers. M. Aleksiuk and I. McT. Cowan, 965.
Alikhan, M. A.
The physiology of the woodlouse, *Porcellio laevis* Latreille (Porcellionidae, Peracarida). I. Studies on the gut epithelium cytology and its relation to the maltase secretion. M. A. Alikhan, 65.
Allen, J. R.
The salivary glands of adult blackflies. J. Gosbee, J. R. Allen, and A. S. West, 1341.
Anderson, J. M.
Effects of temperature on brain tissue oxygen consumption in salmonid fishes. R. H. Peterson and J. M. Anderson, 1345.
Anderson, R. C.
Singhfilaria hayesi n. sp. from *Meleagris gallopavo* and a revision of Lemdaniinae (= Eufilariinae). R. C. Anderson and A. K. Prestwood, 1015.
Oxyspirura lumsdeni n. sp. (Nematoda:Thelaziidae) from Tetraonidae in North America. E. M. Addison and R. C. Anderson, 1223.
Paronchocerca bumpae n. sp. from the brushland tinamou and the position of *Paronchocerca* within the Splendidofilariinae. R. C. Anderson and A. K. Prestwood, 1325.
Anderson, R. V.
Comparative morphology and descriptions of three new species of *Teratocephalus* from Canada. R. V. Anderson, 829.
Arai, M. N.
"Elastic" fibers in the mesogloea of *Pachycerianthus torreyi* (Anthozoa). M. N. Arai, 148.
Aubin, A. E.
The effects of an acute DDT exposure on the spontaneous electrical activity of goldfish cerebellum. A. E. Aubin and P. H. Johansen, 163.
Bagshaw, J. W.
On the structure and enzymatic degradation of the external membrane of the salmon egg. G. R. Bell, G. E. Hoskins, and J. W. Bagshaw, 146.

Bailey, E. D.
Visual isolation and stress in female ranch mink particularly during the reproductive season. F. F. Gilbert and E. D. Bailey, 209.
Immigration and emigration as contributory regulators of populations through social disruption. E. D. Bailey, 1213.
Seasonal changes in aggression, hunger, and curiosity in ranch mink. R. R. MacLennan and E. D. Bailey, 1395.
Baker, B. E.
Goat milk. I. Mountain goat (*Oreamnos americanus*) milk. Gross composition and fatty acid constitution. B. H. Lauer, D. A. Blood, A. M. Pearson, and B. E. Baker, 5.
Whale milk. I. Fin whale (*Balaenoptera physalus*) and beluga whale (*Delphinapterus leucas*) milk: gross composition and fatty acid constitution. B. H. Lauer and B. E. Baker, 95.
Wolf milk. I. Arctic wolf (*Canis lupus arctos*) and husky milk: gross composition and fatty acid constitution. B. H. Lauer, E. Kuyt, and B. E. Baker, 99.
Mineral constituents of the milks of some Arctic species. B. H. Lauer and B. E. Baker, 185.
Seal milk. I. Harp seal (*Pagophilus groenlandicus*) milk: composition and pesticide residue content. H. W. Cook and B. E. Baker, 1129.
Ball, G. E.
A taxonomic synopsis of the Tribe Loricerini (Coleoptera:Carabidae). G. E. Ball and T. L. Erwin, 877.
Ball, I. R.
An annotated checklist of the freshwater Tricladida of the Nearctic and Neotropical Regions. I. R. Ball, 59.
Bandy, P. J.
Observations on the haematology of several races of black-tailed deer (*Odocoileus hemionus*). I. McT. Cowan and P. J. Bandy, 1021.
Bardsley, J. E.
The trypanosomes of Ranidae. I. The effects of temperature and diurnal periodicity on the peripheral parasitaemia in the bullfrog (*Rana catesbeiana* Shaw). J. E. Bardsley and R. Harmsen, 283.
Barker, P. S.
The response of a predator, *Hypoaspis aculeifer* (Canestrini) (Acarina:Laelapidae), to two species of prey. P. S. Barker, 343.
Barlow, C. A.
Locomotory responses to temperature in the grain weevil, *Sitophilus granarius* (L.) (Coleoptera: Curculionidae). C. A. Barlow and W. D. Kerr, 217.
Barlow, J. C.
The gray vireo, *Vireo vicinior* Coues (Passeriformes:Vireonidae) in the Sierra del Carmen, Coahuila, Mexico. J. C. Barlow and R. R. Johnson, 151.
Beamish, R. J.
Asymmetry in the trunk vertebrae of *Lota lota lacustris* (Walbaum). R. J. Beamish and W. B. Scott, 537.
Bédard, J.
Feeding of the least, crested, and parakeet auklets around St. Lawrence Island, Alaska. J. Bédard, 1025.
Bell, G. R.
On the structure and enzymatic degradation of the external membrane of the salmon egg. G. R. Bell, G. E. Hoskins, and J. W. Bagshaw, 146.
Berrill, M.
The embryonic behavior of the mysid shrimp, *Mysis relicta*. M. Berrill, 1217.
Bider, J. R.
Activity of *Microtus pennsylvanicus* related to moon phase and moonlight revealed by the sand transect technique. G. J. Doucet and J. R. Bider, 1183.
Bilqees, F. M.
Histogenesis of the rostellum of *Taenia crassiceps* (Zeder, 1800) (Cestoda), with special reference to hook development. F. M. Bilqees and R. S. Freeman, 251.
Blood, D. A.
Goat milk. I. Mountain goat (*Oreamnos americanus*) milk. Gross composition and fatty acid constitution. B. H. Lauer, D. A. Blood, A. M. Pearson, and B. E. Baker, 5.
Borden, J. H.
Flight muscle volume change in *Ips confusus* (Coleoptera:Scolytidae). J. H. Borden and C. E. Slater, 29.
Bradbury, H. E.
Observations on locomotion of the short-finned squid, *Illex illecebrosus illecebrosus* (Lesueur, 1821), in captivity. H. E. Bradbury and F. A. Aldrich, 741.
Observations on feeding of the squid *Illex illecebrosus illecebrosus* (Lesueur, 1821) in captivity. H. E. Bradbury and F. A. Aldrich, 913.
Butler, L.
The productivity of four inbred strains of *Drosophila melanogaster*. L. Butler, 313.
Caddy, J. F.
Development of mantle organs, feeding, and locomotion in postlarval *Macoma balthica* (L.) (Lamellibranchiata). J. F. Caddy, 609.
Cameron, A. W.
The behavior of adult gray seals (*Halichoerus grypus*) in the early stages of the breeding season. A. W. Cameron, 229.
Cameron, T. W. M.
The histogenesis of the hydatid cyst (*Echinococcus* spp.) Part 1. Liver cysts in large mammals. T. W. M. Cameron and G. A. Webster, 1405.
Twin onchospheres and protoscoleces of *Echinoccocus granulosus*. G. A. Webster and T. W. M. Cameron, 1421.
Chan, W.
Shell regeneration in *Helix*: shell matrix composition and crystal formation. A. S. M. Saleuddin and W. Chan, 1107.

Chen, Y.-H.
Cytotaxonomy of Aphididae. A. G. Robinson and Y.-H. Chen, 511.
Chesemore, D. L.
Den ecology of the Arctic fox in northern Alaska. D. L. Chesemore, 121.
Choquette, L. P. E.
Helminths of the grizzly bear, *Ursus arctos* L., in northern Canada. L. P. E. Choquette, G. G. Gibson, and A. M. Pearson, 167.
Church, N. S.
The embryology of *Lytta viridana* Le Conte (Coleoptera:Meloidae). IV. Chromatin elimination. J. G. Rempel and N. S. Church, 351.
The embryology of *Lytta viridana* Le Conte (Coleoptera:Meloidae). V. The blastoderm, germ layers, and body segments. J. G. Rempel and N. S. Church, 1157.
Clulow, F. V.
Physiological correlations of population density in the eastern chipmunk (*Tamias striatus*) and the white-footed mouse (*Peromyscus leucopus*). F. V. Clulow, A. DesMarais, and J. Vaillancourt, 427.
Colvin, J. R.
The microscopic and submicroscopic structure of the tunic of two ascidians, *Boltenia* and *Molgula*. A. K. Mishra and J. R. Colvin, 659.
Compton, T. L.
Alaria arisaemoides Augustine and Uribe, 1927 (Strigeidae) from Interior Alaska. T. L. Compton, 1420.
Cook, H.
Ultrastructure of the eta cells in the pituitary gland of adult migratory sockeye salmon (*Oncorhynchus nerka*). H. Cook and A. P. van Overbeeke, 937.
Cook, H. W.
Seal milk. I. Harp seal (*Pagophilus groenlandicus*) milk: composition and pesticide residue content. H. W. Cook and B. E. Baker, 1129.
Corey, S.
The comparative life histories of three Cumacea (Crustacea): *Cumopsis goodsiri* (Van Beneden), *Iphinöe trispinosa* (Goodsir), and *Pseudocuma longicornis* (Bate). S. Corey, 695.
Corning, W. C.
Cardioinhibitor nerves in *Limulus*. R. Von Burg and W. C. Corning, 735.
Cowan, F. B. M.
Gross and microscopic anatomy of the orbital glands of *Malaclemys* and other emydine turtles. F. B. M. Cowan, 723.
Cowan, G. I. McT.
The cephalic and caudal musculature of the sculpin *Myoxocephalus polyacanthocephalus* (Pisces:Cottidae). G. I. McT. Cowan, 841.
Cowan, I. McT.
Aspects of seasonal energy expenditure in the beaver (*Castor canadensis* Kuhl) at the northern limit of its distribution. M. Aleksiuk and I. McT. Cowan, 471.
The winter metabolic depression in Arctic beavers (*Castor canadensis* Kuhl) with comparisons to California beavers. M. Aleksiuk and I. McT. Cowan, 965.
Observations on the haematology of several races of black-tailed deer (*Odocoileus hemionus*). I. McT. Cowan and P. J. Bandy, 1021.
Craig, D. A.
The embryogenesis of the larval head of *Simulium venustum* Say (Diptera:Nematocera). D. A. Craig, 495.
Dampney, P.
Microcauterization to maxillectomize lepidopterous larvae by fulguration. F. A. Urquhart and P. Dampney, 1416.
Davis, C. C.
Ergasilus luciopercarum males in an unusual collection from Newfoundland. C. C. Davis, 1249.
Davis, P.
The pH tolerance of *Daphnia pulex* (Leydig, emend., Richard). P. Davis and G. W. Ozburn, 1173.
Delisle, C.
Bimonthly progress of a non-lethal infection by *Glugea hertwigi* in young-of-the-year smelt, *Osmerus eperlanus mordax*. C. Delisle, 871.
Delorme, L. D.
On the identity of the ostracode genera *Cypriconcha* and *Megalocypris*. L. D. Delorme, 271.
Torpidity of freshwater ostracodes. L. D. Delorme and D. Donald, 997.
DesMarais, A.
Physiological correlations of population density in the eastern chipmunk (*Tamias striatus*) and the white-footed mouse (*Peromyscus leucopus*). F. V. Clulow, A. DesMarais, and J. Vaillancourt, 427.
Desser, S. S.
Survival of sporozoites of *Leucocytozoon* in birds for 11 days. R. A. Khan, S. S. Desser, and A. M. Fallis, 347.
Didow, L. A.
Seasonal variations in the mass and composition of brown adipose tissue in the meadow vole, *Microtus pennsylvanicus*. L. A. Didow and J. S. Hayward, 547.
Dixon, S. E.
Changes in some haemolymph dehydrogenase isozymes of the female honeybee, *Apis millifera* L., during caste development. R. K. Tripathi and S. E. Dixon, 763.
Dodds, D. G.
Ecology of the American dog tick, *Dermacentor variabilis* (Say), in Nova Scotia. D. G. Dodds, A. M. Martell, and R. E. Yescott, 171.
Some records for Ixodidae of Nova Scotia. A. M. Martell, R. E. Yescott, and D. G. Dodds, 183.

Donald, D.
Torpidity of freshwater ostracodes. L. D. Delorme and D. Donald, 997.
Donaldson, E. M.
The effects of salmon pituitary gonadotropin on the ovary and the sexual behavior of the female guppy, *Poecilia reticulata*. N. R. Liley and E. M. Donaldson, 569.
Dondale, C. D.
A contact sex pheromone and some response parameters in lycosid spiders. B. M. Hegdekar and C. D. Dondale, 1.
Two new species of the spider genus *Schizocosa* (Araneida: Lycosidae) from the Great Lakes region. C. D. Dondale, 751.
Dorney, R. S.
Occurrence of *Eimeria tamiasciuri* in Ontario red squirrels (*Tamiasciurus hudsonicus*). B.-L. Soon and R. S. Dorney, 731.
Doucet, G. J.
Activity of *Microtus pennsylvanicus* related to moon phase and moonlight revealed by the sand transect technique. G. J. Doucet and J. R. Bider, 1183.
Dow, D. D.
Home range and habitat of the cardinal in peripheral and central populations. D. D. Dow, 103.
Habitat utilization by cardinals in central and peripheral breeding populations. D. D. Dow, 409.
Drew, M. E.
Grain aphids in New Brunswick. IV. Effects of malathion and 2,4-D amine on aphid populations and on yields of oats and barley. J. B. Adams and M. E. Drew, 423.
Dunkley, L. C.
Variation in the size and position of *Hymenolepis diminuta* (Cestoda: Cyclophyllidea) within the rat intestine. D. F. Mettrick and L. C. Dunkley, 1091.
Eales, J. G.
In vivo uptake of radiothyroxine by the tissues of Atlantic salmon (*Salmo salar* L.) parr, presmolt, and smolt. J. G. Eales, 9.
Ellis, V. L.
The pedal disc of the swimming sea anemone *Stomphia coccinea* during detachment, swimming, and resettlement. V. L. Ellis, D. M. Ross, and L. Sutton, 333.
Engelbert, V. E.
The distribution of eosinophilic and heterophilic granulocytes in the rabbit thymus. J. E. M. Westermann and V. E. Engelbert, 89.
Erythropoiesis in chicken peripheral blood. N. Smith and V. E. Engelbert, 1269.
Numbers of granulocytes in thymic imprints of rabbits of different ages and degrees of coccidial parasitism. J. E. M. Westermann and V. E. Engelbert, 1355.
The development of eosinophilic granulocytes in the rabbit thymus. J. E. M. Westermann and V. E. Engelbert, 1381.
Demonstration of intranuclear vesicles in blast cells in lymph nodes with different fixatives and staining techniques. J. L. G. Shelley, J. E. M. Westermann, and V. E. Engelbert, 1414.
Erwin, T. L.
A taxonomic synopsis of the Tribe Loricerini (Coleoptera: Carabidae). G. E. Ball and T. L. Erwin, 877.
Ewen, A. B.
Male accessory gland substance: an egg-laying stimulant in *Melanoplus sanguinipes* (F.) (Orthoptera: Acrididae). R. Pickford, A. B. Ewen, and C. Gillott, 1199.
Fallis, A. M.
Endogenous stages of *Parahaemoproteus fringillae* (Labbé, 1894) and *Leucocytozoon fringillinarum* Woodcock, 1910. R. A. Khan and A. M. Fallis, 37.
Survival of sporozoites of *Leucocytozoon* in birds for 11 days. R. A. Khan, S. S. Desser, and A. M. Fallis, 347.
Favreau, M. B.
Pinealectomy procedure for *Fundulus heteroclitus* L. F. S. Abbott and M. B. Favreau, 152.
Fenton, M. B.
A record of Siamese twinning in bats. R. L. Peterson and M. B. Fenton, 154.
The carrying of young by females of three species of bats. M. B. Fenton, 158.
Summer activity of *Myotis lucifugus* (Chiroptera: Vespertilionidae) at hibernacula in Ontario and Quebec. M. B. Fenton, 597.
Fernando, C. H.
On the rotifer *Keratella canadensis* Berzins. M. G. George and C. H. Fernando, 155.
Observations on the biology of *Ergasilus* spp. (Cyclopoidea: Copepoda) infesting North American freshwater fishes. S. Tedla and C. H. Fernando, 405.
The effect of winter drainage on reservoir benthic fauna. C. G. Paterson and C. H. Fernando, 589.
Observations on the glochidia of *Lampsilis radiata* (Gmelin) infesting yellow perch, *Perca flavescens* (Mitchill) in the Bay of Quinte, Lake Ontario. S. Tedla and C. H. Fernando, 705.
Macroinvertebrate colonization of the marginal zone of a small impoundment in Eastern Canada. C. G. Paterson and C. H. Fernando, 1229.
Finnegan, C. V.
Studies of the differentiating plerocercoid cuticle of *Schistocephalus solidus*. II. The ultrastructural examination of cuticle development. G. P. Morris and C. V. Finnegan, 957.
Flook, D. R.
Incidence and abundance of certain parasites in wapiti in the national parks of the Canadian Rockies. D. R. Flook and J. E. Stenton, 795.

Flumerfelt, B. A.
The histology and histochemistry of the developing chorioallantoic membrane in the chick (*Gallus domesticus*). B. A. Flumerfelt and M. A. Gibson, 323.
Foster, M. E.
The harp seal, *Pagophilus groenlandicus* (Erxleben, 1777). II. Physical blood properties. K. Ronald, M. E. Foster, and E. Johnson, 461.
Fox, R. C.
Studies of Late Cretaceous vertebrates. III. A triconodont mammal from Alberta. R. C. Fox, 1253.
Frame, G. W.
New definitive host, range extension, and notes on the morphology of *Tristriata anatis* Belopolskaia, 1953 (Trematoda, Notocotylidae) from southeast Alaska. G. W. Frame, 265.
Freeman, R. S.
Histogenesis of the rostellum of *Taenia crassiceps* (Zeder, 1800) (Cestoda), with special reference to hook development. F. M. Bilqees and R. S. Freeman, 251.
Gage, J.
Erratum: The mode of life of *Montacuta elevata*, a bivalve 'commensal' with *Clymenella torquata* (Polychaeta). J. Gage, 731.
Erratum: The mode of life of *Mysella cuneata*, a bivalve 'commensal' with *Phascolion strombi* (Sipunculoidea). J. Gage, 731.
Galaugher, W.
Studies on sylvatic echinococcosis. II. The occurrence of *Echinococcus multilocularis* Leuck. 1863 in Manitoba. P. D. Leiby, G. Lubinsky, and W. Galaugher, 135.
George, J. C.
An electron microscopic study of the pigeon breast muscle. I. Grinyer and J. C. George, 517.
Some observations on the ultrastructure of the hummingbird pectoral muscles. I. Grinyer and J. C. George, 771.
The harp seal, *Pagophilus groenlandicus* (Erxleben, 1777). V. Levels of haemoglobin, iron, certain metabolites and enzymes in the blood. N. V. Vallyathan, J. C. George, and K. Ronald, 1193.
George, M. G.
On the rotifer *Keratella canadensis* Berzins. M. G. George and C. H. Fernando, 155.
Gibson, G. G.
Helminths of the grizzly bear, *Ursus arctos* L., in northern Canada. L. P. E. Choquette, G. G. Gibson, and A. M. Pearson, 167.
Ancyracanthopsis bendelli n. sp. (Acuariidae: Schistorophinae) from Pacific Coast grouse, with observations on related nematode genera. J. R. Adams and G. G. Gibson, 619.
Gibson, M. A.
The histology and histochemistry of the developing chorioallantoic membrane in the chick (*Gallus domesticus*). B. A. Flumerfelt and M. A. Gibson, 323.
Gilbert, F. F.
Visual isolation and stress in female ranch mink particularly during the reproductive season. F. F. Gilbert and E. D. Bailey, 209.
Gillott, C.
Male accessory gland substance: an egg-laying stimulant in *Melanoplus sanguinipes* (F.) (Orthoptera:Acrididae). R. Pickford, A. B. Ewen, and C. Gillott, 1199.
Morphology and histology of the cephalic endocrine glands of the damselfly, *Coenagrion angulatum* Walker (Zygoptera:Odonata). C. Gillott, 1187.
Gosbee, J.
The salivary glands of adult blackflies. J. Gosbee, J. R. Allen, and A. S. West, 1341.
Gould, W. P.
First Newfoundland record of *Peromyscus*. W. P. Gould and W. O. Pruitt, Jr., 469.
Gradwell, N.
The respiratory importance of vascularization of the tadpole operculum in *Rana catesbeiana* Shaw. N. Gradwell, 1239.
Grant, P. R.
Colonization of islands by ecologically dissimilar species of birds. P. R. Grant, 41.
Ecological segregation of systematically related stream insects. P. R. Grant and R. J. Mackay, 691.
Experimental studies of competitive interaction in a two-species system. I. *Microtus* and *Clethrionomys* species in enclosures. P. R. Grant, 1059.
Greenberg, J.
Malathion-induced teratisms in the developing chick. J. Greenberg and Q. N. Laham, 539.
Grinyer, I.
An electron microscopic study of the pigeon breast muscle. I. Grinyer and J. C. George, 517.
Some observations on the ultrastructure of the hummingbird pectoral muscles. I. Grinyer and J. C. George, 771.
Guthrie, J. E.
Measurement of radiation dose distribution in a pond habitat by lithium fluoride dosimetry. J. E. Guthrie and A. G. Scott, 17.
Halcrow, K.
Sites of presumed neurosecretory activity in *Daphnia magna* Straus. K. Halcrow, 575.
Hanek, G.
Tracheliastes chondrostomi n. sp. (Copepoda:Lernaeopodidae) from *Chondrostoma nasus* (L.) in Czechoslovakia. G. Hanek, 455.

Thersitina gasterostei (Pagenstecher, 1861) (Copepoda:Ergasilidae) from *Gasterosteus wheatlandi* Putnam, 1867. G. Hanek and W. Threlfall, 627.
Digenetic trematodes from Newfoundland, Canada. 1. Three species from *Gasterosteus aculeatus* Linnaeus, 1758. G. Hanek and W. Threlfall, 793.
Monogenetic trematodes from Newfoundland, Canada. 1. New species of the genus *Gyrodactylus* Nordmann, 1832. G. Hanek and W. Threlfall, 951.
Digenetic trematodes from Newfoundland, Canada. 2. Two species from *Gasterosteus aculeatus* Linnaeus, 1758. G. Hanek and W. Threlfall, 1086.
Capillaria salvelini Polyanski, 1952 from *Salvelinus fontinalis* (Mitchill). W. Threlfall and G. Hanek, 1088.

Harmsen, R.
The trypanosomes of Ranidae. I. The effects of temperature and diurnal periodicity on the peripheral parasitaemia in the bullfrog (*Rana catesbeiana* Shaw). J. E. Bardsley and R. Harmsen, 283.

Harper, P.
Cycles vitaux de quelques Plécoptères des Laurentides (insectes). P. Harper and E. Magnin, 483.

Hayward, J. S.
Seasonal variations in the mass and composition of brown adipose tissue in the meadow vole, *Microtus pennsylvanicus*. L. A. Didow and J. S. Hayward, 547.
Topography and vascularization of brown fat in a small nonhibernator (deer mouse, *Peromyscus maniculatus*). J. C. Rauch and J. S. Hayward, 1301.
Topography and vascularization of brown fat in a hibernator (little brown bat, *Myotis lucifugus*). J. C. Rauch and J. S. Hayward, 1315.

Hegdekar, B. M.
A contact sex pheromone and some response parameters in lycosid spiders. B. M. Hegdekar and C. D. Dondale, 1.
Intracellular distribution of β-glucuronidase activity during metamorphosis of the housefly, *Musca domestica* L. B. M. Hegdekar and B. N. Smallman, 45.

Hillyer, R. J.
The influence of the host plant or males on ovarian development or oviposition in the diamondback moth *Plutella maculipennis* (Curt.). R. J. Hillyer and A. J. Thorsteinson, 805.

Hnatiuk, J. M.
Occurrence of *Echinococcus multilocularis* Leuckart, 1863 in *Vulpes fulva* in Saskatchewan. J. M. Hnatiuk, 264.

Hopper, B. E.
Marine nematodes of Canada. II. Marine nematodes from the Minas Basin – Scots Bay area of the Bay of Fundy, Nova Scotia. B. E. Hopper, 671.

Hoskins, G. E.
On the structure and enzymatic degradation of the external membrane of the salmon egg. G. R. Bell, G. E. Hoskins, and J. W. Bagshaw, 146.

Hughes, M. R.
Sodium and potassium in spontaneously produced salt gland secretion and tears of ducks, *Anas platyrhynchos*, acclimated to fresh and saline waters. M. R. Hughes and F. E. Ruch, Jr., 1133.
Ionic and osmotic concentration of tears of the gull, *Larus glaucescens*. M. R. Hughes, 1337.

Jarial, M. S.
Observations on the labium of Corixidae (Hemiptera). M. S. Jarial, G. G. E. Scudder, and S. Teraguchi, 713.

Johansen, P. H.
The effects of an acute DDT exposure on the spontaneous electrical activity of goldfish cerebellum. A. E. Aubin and P. H. Johansen, 163.
A non-histological method for determining the completeness of hypophysectomy in the goldfish (*Carassius auratus*). P. H. Johansen and A. W. Roy, 734.

Johnson, E.
The harp seal, *Pagophilus groenlandicus* (Erxleben, 1777). II. Physical blood properties. K. Ronald, M. E. Foster, and E. Johnson, 461.

Johnson, R. R.
The gray vireo, *Vireo vicinior* Coues (Passeriformes:Vireonidae) in the Sierra del Carmen, Coahuila, Mexico. J. C. Barlow and R. R. Johnson, 151.

Judd, W. W.
Harvestmen and spiders and their prey on milkweed, *Asclepias syriaca* L., at London, Ontario. W. W. Judd, 159.

Kerr, W. D.
Locomotory responses to temperature in the grain weevil, *Sitophilus granarius* (L.) (Coleoptera:Curculionidae). C. A. Barlow and W. D. Kerr, 217.

Kevan, D. K. McE.
Cytological studies of Antipodean *Teleogryllus* species and their hybrids (Orthoptera:Gryllidae). H.-C. Lim, V. R. Vickery, and D. K. McE. Kevan, 189.

Khan, N. R.
Observations on the functional anatomy of the reproductive organs of *Sitophilus* (Coleoptera: Curculionidae). N. R. Khan and A. J. Musgrave, 665.

Khan, R. A.
Endogenous stages of *Parahaemoproteus fringillae* (Labbé, 1894) and *Leucocytozoon fringillinarum* Woodcock, 1910. R. A. Khan and A. M. Fallis, 37.
Survival of sporozoites of *Leucocytozoon* in birds for 11 days. R. A. Khan, S. S. Desser, and A. M. Fallis, 347.

Kirmse, P.
Notes on *Vampyrum spectrum*, the false vampire bat, in Panama. R. L. Peterson and P. Kirmse, 140.

Knerer, G.
Bionomic notes on the solitary *Evylaeus oenotherae* (Stevens) (Hymenoptera:Halictinae), a matinal summer bee visiting cultivated Onagraceae. G. Knerer and P. MacKay, 289.
Synergistic evolution of halictine nest architecture and social behavior. G. Knerer, 925.
Ko, R. C.
The development of *Philonema oncorhynchi* (Nematoda:Philometridae) in *Cyclops bicuspidatus* in relation to temperature. R. C. Ko and J. R. Adams, 307.
Kuntz, R. E.
Nematode parasites of mammals (Dermoptera, Primates, Pholidota, Rodentia, Carnivora, and Artiodactyla) from North Borneo (Malaysia). B. J. Myers and R. E. Kuntz, 419.
Kuo, J. S.
Preparation of thin sections of mites for high resolution light microscopy. J. S. Kuo and M. E. McCully, 737.
Kuyt, E.
Wolf milk. I. Arctic wolf (*Canis lupus arctos*) and husky milk: gross composition and fatty acid constitution. B. H. Lauer, E. Kuyt, and B. E. Baker, 99.
Kwain, W.-H.
Influence of light on early development and meristic characters in the rainbow trout, *Salmo gairdneri* Richardson. H. R. MacCrimmon and W.-H. Kwain, 631.
LaHam, Q. N.
Malathion-induced teratisms in the developing chick. J. Greenberg and Q. N. LaHam, 539.
Laird, M.
Parasitic protozoa from marine and euryhaline fish of Newfoundland and New Brunswick. I. Peritrichous ciliates. J. Lom and M. Laird, 1367.
Lam, T. J.
A new technique for the collection of urine of small fishes and for the study of exchanges of materials via the head region. T. J. Lam, 225.
Effects of prolactin on the glomerulus of the marine threespine stickleback, *Gasterosteus aculeatus* L., form *trachurus*, after transfer from seawater to fresh water, during the late autumn and early winter. T. J. Lam and J. F. Leatherland, 245.
Effect of prolactin on the density of mucous cells on the gill filaments of the marine form (*trachurus*) of the threespine stickleback, *Gasterosteus aculeatus* L. J. F. Leatherland and T. J. Lam, 787.
Effect of prolactin on loss of solutes via the head region of the early-winter marine threespine stickleback (*Gasterosteus aculeatus* L., form *trachurus*) in fresh water. T. J. Lam, 865.
Prolactin and survival in deionized water of the marine form (*trachurus*) of the threespine stickleback, *Gasterosteus aculeatus* L. J. F. Leatherland and T. J. Lam, 989.
Lane, K. B.
Morphology of the pineal body of wild house sparrows (*Passer domesticus*) in relation to reproduction and age. C. L. Ralph and K. B. Lane, 1205.
Lauer, B. H.
Goat milk. I. Mountain goat (*Oreamnos americanus*) milk. Gross composition and fatty acid constitution. B. H. Lauer, D. A. Blood, A. M. Pearson, and B. E. Baker, 5.
Whale milk. I. Fin whale (*Balaenoptera physalus*) and beluga whale (*Delphinapterus leucas*) milk: gross composition and fatty acid constitution. B. H. Lauer and B. E. Baker, 95.
Wolf milk. I. Arctic wolf (*Canis lupus arctos*) and husky milk: gross composition and fatty acid constitution. B. H. Lauer, E. Kuyt, and B. E. Baker, 99.
Mineral constituents of the milks of some Arctic species. B. H. Lauer and B. E. Baker, 185.
Leatherland, J. F.
Effects of prolactin on the glomerulus of the marine threespine stickleback, *Gasterosteus aculeatus* L., form *trachurus*, after transfer from seawater to fresh water, during the late autumn and early winter. T. J. Lam and J. F. Leatherland, 245.
Effect of prolactin on the density of mucous cells on the gill filaments of the marine form (*trachurus*) of the threespine stickleback, *Gasterosteus aculeatus* L. J. F. Leatherland and T. J. Lam, 787.
Prolactin and survival in deionized water of the marine form (*trachurus*) of the threespine stickleback, *Gasterosteus aculeatus* L. J. F. Leatherland and T. J. Lam, 989.
Lee, C.-F.
Larval *Echinococcus multilocularis* Leuckart, 1863 in the southern Interlake area in Manitoba. C.-F. Lee, 733.
Leeson, T. S.
Fine structure of the common bile duct in adult rats. T. S. Leeson and H. Melax, 33.
Leiby, P. D.
Studies on sylvatic echinococcosis. II. The occurrence of *Echinococcus multilocularis* Leuck. 1863 in Manitoba. P. D. Leiby, G. Lubinsky, and W. Galaugher, 135.
Li, M. F.
A study of lobster (*Homarus americanus*) ecology using serum protein concentration as an index. J. E. Stewart and M. F. Li, 21.
Liburd, E. M.
Incidence of coccidia in California quail (*Lophortyx californicus*) from the Okanagan Valley, British Columbia. E. M. Liburd, 645.
Licht, L. E.
Unusual aspects of anuran sexual behavior as seen in the red-legged frog, *Rana aurora aurora*. L. E. Licht, 505.
Comparative breeding behavior of the red-legged frog (*Rana aurora aurora*) and the western spotted frog (*Rana pretiosa pretiosa*) in southwestern British Columbia. L. E. Licht, 1287.

Liley, N. R.
The effects of salmon pituitary gonadotropin on the ovary and the sexual behavior of the female guppy, *Poecilia reticulata*. N. R. Liley and E. M. Donaldson, 569.
Lim, H.-C.
Cytological studies of Antipodean *Teleogryllus* species and their hybrids (Orthoptera:Gryllidae). H.-C. Lim, V. R. Vickery, and D. K. McE. Kevan, 189.
Lo, S. E.
The ultrastructure of the rostral sensory organs of the water bug, *Cenocorixa bifida* (Hungerford) (Hemiptera). S. E. Lo and A. B. Acton, 717.
Lom, J.
Parasitic protozoa from marine and euryhaline fish of Newfoundland and New Brunswick. I. Peritrichous ciliates. J. Lom and M. Laird, 1367.
Loughton, B. G.
Blood volume in the African migratory locust. B. G. Loughton and S. S. Tobe, 1333.
Lu, C. C.
A reconsideration of forms of squid of the genus *Illex* (Illicinae, Ommastrephidae). II. Sexual dimorphism. K. Mangold, C. C. Lu, and F. A. Aldrich, 1153.
Lubinsky, G.
Studies on sylvatic echinococcosis. II. The occurrence of *Echinococcus multilocularis* Leuck. 1863 in Manitoba. P. D. Leiby, G. Lubinsky, and W. Galaugher, 135.
Cyclophosphamide and the survival time of mice infected with *Echinococcus multilocularis* cysts. G. Lubinsky, 144.
Attempts at chemotherapy of *Echinococcus multilocularis* infections in rodents. G. Lubinsky, 1001.
McCallion, D. J.
Induction of scleral cartilage in the chorioallantois of the chick embryo. D. E. Wedlock and D. J. McCallion, 142.
MacCrimmon, H. R.
Influence of light on early development and meristic characters in the rainbow trout, *Salmo gairdneri* Richardson. H. R. MacCrimmon and W.-H. Kwain, 631.
McCully, M. E.
Preparation of thin sections of mites for high resolution light microscopy. J. S. Kuo and M. E. McCully, 737.
McEwan, E. H.
Changes in the blood constituents of reindeer and caribou occurring with age. E. H. McEwan and P. E. Whitehead, 557.
MacKay, P.
Bionomic notes on the solitary *Evylaeus oenotherae* (Stevens) (Hymenoptera:Halictinae), a matinal summer bee visiting cultivated Onagraceae. G. Knerer and P. MacKay, 289.
Mackay, R. J.
Ecological segregation of systematically related stream insects. P. R. Grant and R. J. Mackay, 691.
MacKay, R. R.
Two new host records for *Nematodirus* species. W. A. Webster and R. R. MacKay, 1411.
McKenzie, J. A.
Variations in the plasma proteins of Atlantic salmon (*Salmo salar* L.). J. A. McKenzie and U. Paim, 759.
A descriptive analysis of the aggressive behavior of the male brook stickleback, *Culaea inconstans*. J. A. McKenzie, 1275.
The courtship behavior of the male brook stickleback, *Culaea inconstans* (Kirtland). J. A. McKenzie, 1281.
MacLennan, R. R.
Seasonal changes in aggression, hunger, and curiosity in ranch mink. R. R. MacLennan and E. D. Bailey, 1395.
McNeil, R.
La détermination du contenu lipidique et de la capacité de vol chez quelques espèces d'oiseaux de rivage (Charadriidae et Scolopacidae). R. McNeil, 525.
Madahar, D. P.
The salivary gland chromosomes of seven taxa in the subgenus *Stegopterna* (Diptera, Simuliidae, Cnephia). D. P. Madahar, 115.
Magnin, E.
Cycles vitaux de quelques Plécoptères des Laurentides (insectes). P. Harper and E. Magnin, 483.
Mangold, K.
A reconsideration of forms of squid of the genus *Illex* (Illicinae, Ommastrephidae). II. Sexual dimorphism. K. Mangold, C. C. Lu, and F. A. Aldrich, 1153.
Margolis, L.
Plicobothrium globicephalae gen. et sp. nov. (Cestoda:Diphyllobothriidae) from the pilot whale, *Globicephala melaena* Traill, in Newfoundland waters. R. L. Rausch and L. Margolis, 745.
Martell, A. M.
Ecology of the American dog tick, *Dermacentor variabilis* (Say), in Nova Scotia. D. G. Dodds, A. M. Martell, and R. E. Yescott, 171.
Some records for Ixodidae of Nova Scotia. A. M. Martell, R. E. Yescott, and D. G. Dodds, 183.
Melax, H.
Fine structure of the common bile duct in adult rats. T. S. Leeson and H. Melax, 33.
Mettrick, D. F.
Variation in the size and position of *Hymenolepis diminuta* (Cestoda:Cyclophyllidea) within the rat intestine. D. F. Mettrick and L. C. Dunkley, 1091.
Mishra, A. K.
The microscopic and submicroscopic structure of the tunic of two ascidians, *Boltenia* and *Molgula*. A. K. Mishra and J. R. Colvin, 659.

Morris, G. P.
Studies of the differentiating plerocercoid cuticle of *Schistocephalus solidus*. II. The ultrastructural examination of cuticle development. G. P. Morris and C. V. Finnegan, 957.
Mulvey, R. H.
Soil-inhabiting nematodes of the orders Araeolaimida, Chromadorida, Enoplida, and Monhysterida from the Canadian high Arctic. R. H. Mulvey, 365.
Nematodes of the genus *Tylenchorhynchus* (Tylenchoidea:Nematoda) from the Canadian high Arctic. R. H. Mulvey, 1245.
Nematodes of the family Neotylenchidae (Tylenchida:Nematoda) from the Canadian high Arctic. R. H. Mulvey, 1261.
Musgrave, A. J.
Observations on the functional anatomy of the reproductive organs of *Sitophilus* (Coleoptera:Curculionidae). N. R. Khan and A. J. Musgrave, 665.
Myers, B. J.
Nematode parasites of mammals (Dermoptera, Primates, Pholidota, Rodentia, Carnivora, and Artiodactyla) from North Borneo (Malaysia). B. J. Myers and R. E. Kuntz, 419.
Nadler, C. F.
Transferrin polymorphism among populations of the arctic ground squirrel, *Spermophilus undulatus* (Pallas). C. F. Nadler and P. M. Youngman, 1051.
Nambiar, R.
The salivary gland chromosomes of *Prosimulium multidentatum* Twinn and three forms included in *Prosimulium magnum* (Dyar and Shannon) (Diptera:Simuliidae). P. O. Ottonen and R. Nambiar, 943.
Oldham, R. S.
Initiation of breeding behavior in the American toad, *Bufo americanus*. R. S. Oldham, 1083.
Olsen, O. W.
Hymenolepis pribilofensis n. sp. (Cestoda:Hymenolepididae) from the Pribilof shrew (*Sorex pribilofensis* Merriam) from the Pribilof Islands, Alaska. O. W. Olsen, 449.
Ottonen, P. O.
The salivary gland chromosomes of *Prosimulium multidentatum* Twinn and three forms included in *Prosimulium magnum* (Dyar and Shannon) (Diptera:Simuliidae). P. O. Ottonen and R. Nambiar, 943.
Ozburn, G. W.
The pH tolerance of *Daphnia pulex* (Leydig, emend., Richard). P. Davis and G. W. Ozburn, 1173.
Paim, U.
Regulation of external respiration by the book-lung spiracles of the spiders, *Araneus diadematus* Clerck and *A. marmoreus* Clerck. G. L. Robinson and U. Paim, 355.
Variations in the plasma proteins of Atlantic salmon (*Salmo salar* L.). J. A. McKenzie and U. Paim, 759.
Pandey, S.
Effects of hypophysectomy on the testis and secondary sex characters of the adult guppy *Poecilia reticulata* Peters. S. Pandey, 775.
Effects of methyl testosterone on the testis and secondary sex characters of the hypophysectomized adult guppy *Poecilia reticulata* Peters. S. Pandey, 783.
Panitz, E.
Helminth parasites of salamanders of the genus *Plethodon* in western Oregon. E. Panitz, 157.
Parsons, M. C.
The labium of *Aphelocheirus aestivalis* F. as compared with that of typical Naucordiae (Heteroptera). M. C. Parsons, 295.
Pasternak, J.
Nematode morphogenesis: fine structure of the molting cycles in *Panagrellus silusiae* (de Man 1913) Goodey 1945. M. R. Samoiloff and J. Pasternak, 639.
Pasztor, V. M.
The neurophysiology of respiration in decapod crustacea. II. The sensory system. V. M. Pasztor, 435.
Paterson, C. G.
The effect of winter drainage on reservoir benthic fauna. C. G. Paterson and C. H. Fernando, 589.
Macroinvertebrate colonization of the marginal zone of a small impoundment in Eastern Canada. C. G. Paterson and C. H. Fernando, 1229.
Pearson, A. M.
Goat milk. I. Mountain goat (*Oreamnos americanus*) milk. Gross composition and fatty acid constitution. B. H. Lauer, D. A. Blood, A. M. Pearson, and B. E. Baker, 5.
Helminths of the grizzly bear, *Ursus arctos* L., in northern Canada. L. P. E. Choquette, G. G. Gibson, and A. M. Pearson, 167.
Percy, J. E.
Studies of physiologically active arthropod secretions. III. Chemical, morphological, and histological studies of the defence mechanism of *Uroblaniulus canadensis* (Say) (Diplopoda:Julida). J. Weatherston and J. E. Percy, 1389.
Peterson, R. H.
Effects of temperature on brain tissue oxygen consumption in salmonid fishes. R. H. Peterson and J. M. Anderson, 1345.
Peterson, R. L.
Notes on *Vampyrum spectrum*, the false vampire bat, in Panama. R. L. Peterson and P. Kirmse, 140.
A record of Siamese twinning in bats. R. L. Peterson and M. B. Fenton, 154.
Phillips, J. E.
Osmotic regulation and rectal absorption in the blowfly, *Calliphora erythrocephala*. J. E. Phillips, 851.

Pickford, R.
Male accessory gland substance: an egg-laying stimulant in *Melanoplus sanguinipes* (F.) (Orthoptera:Acrididae). R. Pickford, A. B. Ewen, and C. Gillott, 1199.
Piérard, J.
Le larynx du phoque de Weddell (*Leptonychotes weddelli*, Lesson, 1826). J. Piérard, 77.
Pippy, J. H. C.
Hepatoxylon trichiuri (Holden 1802) (Cestoda—Trypanorhyncha) from the giant squid *Architeuthis dux* Steenstrup 1857 in Newfoundland. J. H. C. Pippy and F. A. Aldrich, 263.
Power, G.
Fecundity of the yellow perch, *Perca flavescens* Mitchill, in the Bay of Quinte, Lake Ontario. A. N. Sheri and G. Power, 55.
Prestwood, A. K.
Singhfilaria hayesi n. sp. from *Meleagris gallopavo* and a revision of Lemdaniinae (= Eufilariinae). R. C. Anderson and A. K. Prestwood, 1015.
Paronchocerca bumpae n. sp. from the brushland tinamou and the position of *Paronchocerca* within the Splendidofilariinae. R. C. Anderson and A. K. Prestwood, 1325.
Pruitt, W. O., Jr.
First Newfoundland record of *Peromyscus*. W. P. Gould and W. O. Pruitt, Jr., 469.
Ralph, C. L.
Morphology of the pineal body of wild house sparrows (*Passer domesticus*) in relation to reproduction and age. C. L. Ralph and K. B. Lane, 1205.
Rao, G. M. M.
Effect of activity, salinity, and temperature on plasma concentrations of rainbow trout. G. M. M. Rao, 131.
Rauch, J. C.
Topography and vascularization of brown fat in a small nonhibernator (deer mouse, *Peromyscus maniculatus*). J. C. Rauch and J. S. Hayward, 1301.
Topography and vascularization of brown fat in a hibernator (little brown bat, *Myotis lucifugus*). J. C. Rauch and J. S. Hayward, 1315.
Rausch, R. L.
Studies on the helminth fauna of Alaska. XLVII. *Sobolevingylus microti* sp. nov. (Nematoda:Pseudaliidae), a lungworm of rodents. R. L. Rausch and V. R. Rausch, 443.
Plicobothrium globicephalae gen. et sp. nov. (Cestoda:Diphyllobothriidae) from the pilot whale, *Globicephala melaena* Traill, in Newfoundland waters. R. L. Rausch and L. Margolis, 745.
Rausch, V. R.
Studies on the helminth fauna of Alaska. XLVII. *Sobolevingylus microti* sp. nov. (Nematoda:Pseudaliidae), a lungworm of rodents. R. L. Rausch and V. R. Rausch, 443.
Reid, A.
Feeding processes of members of the genus *Macoma* (Mollusca: Bivalvia). R. G. B. Reid and A. Reid, 649.
Reid, R. G. B.
Feeding processes of members of the genus *Macoma* (Mollusca: Bivalvia). R. G. B. Reid and A. Reid, 649.
Rempel, J. G.
The embryology of *Lytta viridana* Le Conte (Coleoptera:Meloidae). IV. Chromatin elimination. J. G. Rempel and N. S. Church, 351.
The embryology of *Lytta viridana* Le Conte (Coleoptera:Meloidae). V. The blastoderm, germ layers, and body segments. J. G. Rempel and N. S. Church, 1157.
Retfalvi, L.
Sexual dimorphism in fetuses of wapiti, *Cervus canadensis*. L. Retfalvi, 1418.
Ricker, W. E.
The genus *Zealeuctra* and its position in the family Leuctridae (Plecoptera, Insecta). W. E. Ricker and H. H. Ross, 1113.
Robinson, A. G.
Cytotaxonomy of Aphididae. A. G. Robinson and Y.-H. Chen, 511.
Robinson, G. L.
Regulation of external respiration by the book-lung spiracles of the spiders, *Araneus diadematus* Clerck and *A. marmoreus* Clerck. G. L. Robinson and U. Paim, 355.
Ronald, K.
The harp seal, *Pagophilus groenlandicus* (Erxleben, 1777). II. Physical blood properties. K. Ronald, M. E. Foster, and E. Johnson, 461.
The harp seal, *Pagophilus groenlandicus* (Erxleben, 1777). V. Levels of haemoglobin, iron, certain metabolites and enzymes in the blood. N. V. Vallyathan, J. C. George, and K. Ronald, 1193.
Ross, D. M.
The pedal disc of the swimming sea anemone *Stomphia coccinea* during detachment, swimming, and resettlement. V. L. Ellis, D. M. Ross, and L. Sutton, 333.
Ross, H. H.
The genus *Zealeuctra* and its position in the family Leuctridae (Plecoptera, Insecta). W. E. Ricker and H. H. Ross, 1113.
Roy, A. W.
A non-histological method for determining the completeness of hypophysectomy in the goldfish (*Carassius auratus*). P. H. Johansen and A. W. Roy, 734.
Ruch, F. E., Jr.
Sodium and potassium in spontaneously produced salt gland secretion and tears of ducks, *Anas platyrhynchos*, acclimated to fresh and saline waters. M. R. Hughes and F. E. Ruch, Jr., 1133.

Sahota, T. S.
Hormonal control of ovarian development and metamorphosis in *Malacosoma pluviale*. T. S. Sahota, 917.
Saleuddin, A. S. M.
Shell regeneration in *Helix pomatia*. A. S. M. Saleuddin and K. M. Wilbur, 51.
Shell regeneration in *Helix*: shell matrix composition and crystal formation. A. S. M. Saleuddin and W. Chan, 1107.
Samoiloff, M. R.
Nematode morphogenesis: fine structure of the molting cycles in *Panagrellus silusiae* (de Man 1913) Goodey 1945. M. R. Samoiloff and J. Pasternak, 639.
Saunders, R. L.
Proprioceptors in the gills of teleosts. A. M. Sutterlin and R. L. Saunders, 1209.
Schmidt, G. D.
Paracanthocephalus rauschi sp. n. (Acanthocephala:Paracanthocephalidae) from grayling, *Thymallus arcticus* (Pallas), in Alaska. G. D. Schmidt, 383.
Scott, A. G.
Measurement of radiation dose distribution in a pond habitat by lithium fluoride dosimetry. J. E. Guthrie and A. G. Scott, 17.
Scott, J. S.
Lampritrema nipponicum (Trematoda) from west Atlantic argentines. J. S. Scott, 139.
Morphology and morphometric variation in *Lecithophyllum botryophorum* (Trematoda: Hemiuridae) in *Argentina silus*. J. S. Scott, 213.
Development of rostellar hooks in *Paricterotaenia paradoxa* (Cestoda:Cyclophyllidea). J. S. Scott, 1011.
Scott, W. B.
Asymmetry in the trunk vertebrae of *Lota lota lacustris* (Walbaum). R. J. Beamish and W. B. Scott, 537.
Scudder, G. G. E.
Observations on the labium of Corixidae (Hemiptera). M. S. Jarial, G. G. E. Scudder, and S. Teraguchi, 713.
Sekerak, A. D.
Alaria taxideae Swanson and Erickson 1946 in pine marten from central Alaska (Trematoda: Diplostomatidae). A. D. Sekerak, 266.
Seligy, V. L.
Biochemical aspects of pigment variation in the spider *Enoplognatha ovata* (Clerck) (Araneae: Theridiidae). V. L. Seligy, 1103.
Shelley, J. L. G.
Demonstration of intranuclear vesicles in blast cells in lymph nodes with different fixatives and staining techniques. J. L. G. Shelley, J. E. M. Westermann, and V. E. Engelbert, 1414.
Sheppard, D. H.
A comparison of reproduction in two chipmunk species (*Eutamias*). D. H. Sheppard, 603.
Sheri, A. N.
Fecundity of the yellow perch, *Perca flavescens* Mitchill, in the Bay of Quinte, Lake Ontario. A. N. Sheri and G. Power, 55.
Slater, C. E.
Flight muscle volume change in *Ips confusus* (Coleoptera:Scolytidae). J. H. Borden and C. E. Slater, 29.
Smallman, B. N.
Intracellular distribution of β-glucuronidase activity during metamorphosis of the housefly, *Musca domestica* L. B. M. Hegdekar and B. N. Smallman, 45.
Smith, N.
Erythropoiesis in chicken peripheral blood. N. Smith and V. E. Engelbert, 1269.
Soon, B.-L.
Occurrence of *Eimeria tamiasciuri* in Ontario red squirrels (*Tamiasciurus hudsonicus*). B.-L. Soon and R. S. Dorney, 731.
Southward, E. C.
New Pogonophora from the northeast Pacific Ocean. E. C. Southward, 395.
Steele, D. H.
The biology of *Gammarus* (Crustacea, Amphipoda) in the northwestern Atlantic. I. *Gammarus duebeni* Lillj. D. H. Steele and V. J. Steele, 235.
Steele, V. J.
The biology of *Gammarus* (Crustacea, Amphipoda) in the northwestern Atlantic. I. *Gammarus duebeni* Lillj. D. H. Steele and V. J. Steele, 235.
Stenton, J. E.
Incidence and abundance of certain parasites in wapiti in the national parks of the Canadian Rockies. D. R. Flook and J. E. Stenton, 795.
Stewart, J. E.
A study of lobster (*Homarus americanus*) ecology using serum protein concentration as an index. J. E. Stewart and M. F. Li, 21.
Sutterlin, A. M.
Proprioceptors in the gills of teleosts. A. M. Sutterlin and R. L. Saunders, 1209.
Sutton, L.
The pedal disc of the swimming sea anemone *Stomphia coccinea* during detachment, swimming, and resettlement. V. L. Ellis, D. M. Ross, and L. Sutton, 333.
Tedla, S.
Observations on the biology of *Ergasilus* spp. (Cyclopoidea:Copepoda) infesting North American freshwater fishes. S. Tedla and C. H. Fernando, 405.

Observations on the glochidia of *Lampsilis radiata* (Gmelin) infesting yellow perch, *Perca flavescens* (Mitchill) in the Bay of Quinte, Lake Ontario. S. Tedla and C. H. Fernando, 705.

Teraguchi, S.
Observations on the labium of Corixidae (Hemiptera). M. S. Jarial, G. G. E. Scudder, and S. Teraguchi, 713.

Thibault, P.
Activité estivale de petits mammifères du Québec. P. Thibault, 817.

Thorsteinson, A. J.
The influence of the host plant or males on ovarian development or oviposition in the diamondback moth *Plutella maculipennis* (Curt.). R. J. Hillyer and A. J. Thorsteinson, 805.

Threlfall, W.
Further records of helminths from Newfoundland mammals. W. Threlfall, 197.
Thersitina gasterostei (Pagenstecher, 1861) (Copepoda:Ergasilidae) from *Gasterosteus wheatlandi* Putnam, 1867. G. Hanek and W. Threlfall, 627.
Digenetic trematodes from Newfoundland, Canada. 1. Three species from *Gasterosteus aculeatus* Linnaeus, 1758. G. Hanek and W. Threlfall, 793.
Monogenetic trematodes from Newfoundland, Canada. 1. New species of the genus *Gyrodactylus* Nordmann, 1832. G. Hanek and W. Threlfall, 951.
Digenetic trematodes from Newfoundland, Canada. 2. Two species from *Gasterosteus aculeatus* Linnaeus, 1758. G. Hanek and W. Threlfall, 1086.
Capillaria salvelini Polyanski, 1952 from *Salvelinus fontinalis* (Mitchill). W. Threlfall and G. Hanek, 1088.

Tobe, S. S.
Blood volume in the African migratory locust. B. G. Loughton and S. S. Tobe, 1333.

Tripathi, R. K.
Changes in some haemolymph dehydrogenase isozymes of the female honeybee, *Apis millifera* L., during caste development. R. K. Tripathi and S. E. Dixon, 763.

Trottier, R.
A comparative study of the morphology of some *Sympetrum* larvae (Odonata:Libellulidae) from eastern Canada. R. Trottier, 457.

Tynen, M. J.
New Enchytraeidae (Oligochaeta) from the east coast of Vancouver Island. M. J. Tynen, 387.

Urquhart, F. A.
Microcauterization to maxillectomize lepidopterous larvae by fulguration. F. A. Urquhart and P. Dampney, 1416.

Vaillancourt, J.
Physiological correlations of population density in the eastern chipmunk (*Tamias striatus*) and the white-footed mouse (*Peromyscus leucopus*). F. V. Clulow, A. DesMarais, and J. Vaillancourt, 427.

Vallyathan, N. V.
The harp seal, *Pagophilus groenlandicus* (Erxleben, 1777). V. Levels of haemoglobin, iron, certain metabolites and enzymes in the blood. N. V. Vallyathan, J. C. George, and K. Ronald, 1193.

Van Overbeeke, A. P.
Ultrastructure of the eta cells in the pituitary gland of adult migratory sockeye salmon (*Oncorhynchus nerka*). H. Cook and A. P. van Overbeeke, 937.

Vermeer, K.
Comparison of the helminth fauna of California gulls, *Larus californicus*, and ring-billed gulls, *Larus delawarensis*, at Beaverhill and Miquelon Lakes, Alberta. K. Vermeer, 267.

Vickery, V. R.
Cytological studies of Antipodean *Teleogryllus* species and their hybrids (Orthoptera:Gryllidae). H.-C. Lim, V. R. Vickery, and D. K. McE. Kevan, 189.

Von Burg, R.
Cardioinhibitor nerves in *Limulus*. R. Von Burg and W. C. Corning, 735.

Walker, D. A.
Observations of the regeneration of a new test by the foraminifer *Discorbis* sp. D. A. Walker, 543.

Watters, F. L.
The locomotor activity of *Cryptolestes ferrugineus* (Stephens) (Coleoptera:Cucujidae) in wheat. F. L. Watters, 1177.

Weatherston, J.
Studies of physiologically active arthropod secretions. III. Chemical, morphological, and histological studies of the defence mechanism of *Uroblaniulus canadensis* (Say) (Diplopoda:Julida) J. Weatherston and J. E. Percy, 1389.

Webster, G. A.
The histogenesis of the hydatid cyst (*Echinococcus* spp.) Part 1. Liver cysts in large mammals. T. W. M. Cameron and G. A. Webster, 1405.
Primary pulmonary involvement in rodents infected with *Echinococcus multilocularis*. G. A. Webster and E. E. Willett, 1412.
Twin onchospheres and protoscoleces of *Echinococcus granulosus*. G. A. Webster and T. W. M. Cameron, 1421.

Webster, W. A.
Two new host records for *Nematodirus* species. W. A. Webster and R. R. MacKay, 1411.

Wedlock, D. E.
Induction of scleral cartilage in the chorioallantois of the chick embryo. D. E. Wedlock and D. J. McCallion, 142.

West, A. S.
The salivary glands of adult blackflies. J. Gosbee, J. R. Allen, and A. S. West, 1341.

Westermann, J. E. M.
The distribution of eosinophilic and heterophilic granulocytes in the rabbit thymus. J. E. M. Westermann and V. E. Engelbert, 89.
Numbers of granulocytes in thymic imprints of rabbits of different ages and degrees of coccidial parasitism. J. E. M. Westermann and V. E. Engelbert, 1355.
The development of eosinophilic granulocytes in the rabbit thymus. J. E. M. Westermann and V. E. Engelbert, 1381.
Demonstration of intranuclear vesicles in blast cells in lymph nodes with different fixatives and staining techniques. J. L. G. Shelley, J. E. M. Westermann, and V. E. Engelbert, 1414.
Whitehead, P. E.
Changes in the blood constituents of reindeer and caribou occurring with age. E. H. McEwan and P. E. Whitehead, 557.
Wilbur, K. M.
Shell regeneration in *Helix pomatia*. A. S. M. Saleuddin and K. M. Wilbur, 51.
Willett, E. E.
Primary pulmonary involvement in rodents infected with *Echinococcus multilocularis*. G. A. Webster and E. E. Willett, 1412.
Wolfson, N.
Deformation of developing embryos of sea urchins with changes in the ionic environment. N. Wolfson, 1363.
Woo, P. T. K.
The haematocrit centrifuge for the detection of trypanosomes in blood. P. T. K. Woo, 921.
Trypanosomes in amphibians and reptiles in southern Ontario. P. T. K. Woo, 981.
The life cycle of *Trypanosoma chrysemydis*. P. T. K. Woo, 1139.
The development of *Trypanosoma canadensis* of *Rana pipiens* in *Placobdella* sp. P. T. K. Woo, 1257.
Wright, K. A.
The anatomy of salivary glands of *Anopheles stephensi* Liston. K. A. Wright, 579.
Wu, L.-Y.
Three new species of the genus *Tylenchorhynchus* Cobb, 1913 (Tylenchidae:Nematoda) from Canada. L.-Y. Wu, 563.
Dactylotylenchinae, a new subfamily (Tylenchidae:Nematoda). L.-Y. Wu, 909.
Five new species of *Tylenchus* Bastian, 1865 (Nematoda:Tylenchidae) from the Canadian high Arctic. L.-Y. Wu, 1005.
Yescott, R. E.
Ecology of the American dog tick, *Dermacentor variabilis* (Say), in Nova Scotia. D. G. Dodds, A. M. Martell, and R. E. Yescott, 171.
Some records for Ixodidae of Nova Scotia. A. M. Martell, R. E. Yescott, and D. G. Dodds, 183.
Youngman, P. M.
Transferrin polymorphism among populations of the arctic ground squirrel, *Spermophilus undulatus* (Pallas). C. F. Nadler and P. M. Youngman, 1051.

Date of Issue

The dates on which each number of this journal was issued in 1969 will be published on page *ii* of the January number of Volume 48 (Can. J. Zool., Vol. 48, No. 1, 1970).
